Public Meeting Notice

Sanpete County Needs Your Input

In August 2009, the County released the first Draft of the Sanpete County General Plan 2020. County residents and businesses are invited to attend a community open house to participate in the final review of the Draft Plan before it is submitted to the Planning Commission and County Commission for formal review.

As part of this project a series of amendments to the County Zoning Ordinance are proposed, including:

- Regulations to facilitate the development of Master Planned Communities
- Revised Land Use Table of All Zoning Districts
- Cluster Subdivision Ordinance

During the open house, an overview presentation of the General Plan and proposed regulation will be provided throughout the evening. Participants will also have an opportunity to engage in one-on-one discussion with county staff. Participants will be able to submit comments during the meetings. Written comments will also be accepted until April 23rd.

If you are unable to attend one of these meetings you can view the project information online at <http://sanpetecounty.org/pages/plan>.
